Dear and Respected Katholische Kirche Birmensdorf St. Martin Project Team Members,

With Great appreciation and thanks I write this letter.

We received Indian Rupees 17,88,185 (Seventeen lakhs eighty eight thousand one hundred and eighty five only). We are very glad and happy that your contribution to the special school is a great support and encouragement to us. Since the works are going on, lack of finance was a great difficulty to go on with the construction. With this money we can complete or continue the work with more confidence.

We have 218 students and 47 staff in the school. Existing building of the school is very congested and old. By completing the construction we can shift the school to the new building. It will provide enough facilities for the school for giving proper education and training.

On behalf of all the board members, staff and students I share our whole hearted thanks and regards once again to all the project team members.

We wish and pray for each one of you **A WONDERFUL AND BLESSED NEW YEAR.**

The receipt for the amount is attached.
